

THE ASTRONOMICAL REVIEW

NAME(S) OF AUTHOR(S):

PAPER, ARTICLE, OR MANUSCRIPT TITLE ("CONTRIBUTION"):

In consideration for the Astronomical Review publishing the contribution along with all materials associated with the contribution, the author(s) hereby assigns to the Astronomical Review all copyright in and to the contribution including the title and abstract of the work and the right to publish the contribution in whole or in part in all languages, but not including figures or other media objects associated with the contribution.

The Astronomical Review grants the following non-transferable rights to the author(s):

- (a) The right to publish and reproduce the unrevised contribution in whole or in part at any time and in any form for any scholarly purpose with the condition that all publications of the contribution include a full citation to the journal as published by the Astronomical Review.

The author(s) warrant(s) that:

- (a) The author(s) have not previously transferred copyright to the contribution.
- (b) The work is original to only the author(s).
- (c) The author(s) have the capacity to enter into this agreement.
- (d) The author(s) are the sole owner(s) of all copyrights of the contribution.
